VPCEB290X - Configure-to-Order

VAIO® E Series Laptop PC

Colorful Life. Colorful PC.

POWERFUL PERFORMANCE

Enjoy the powerful performance of an Intel® Core™ i5 processor with Intel® Turbo Boost Technology[21] up to (2.93GHz) and available 8GB of pre-installed system memory.

The VAIO® E Series notebook comes pre-installed with Genuine Microsoft® Windows® 7 Home Premium or Professional.

An available ATI Mobility Radeon™ HD 5470 graphics card with 512MB VRAM offers smooth HD playback.

Store your favorite multimedia, important documents, and cherished family photos on a Serial ATA hard drive.

Fall in love with your favorite movies all over again with an extra-wide, theater inspired 15.5" (1366x768) display[4].

SMARTER TECHNOLOGY

A built-in Assist button launches VAIO Care™ software, a simple do - it yourself PC maintenance tool for tune-ups, troubleshooting and more.

Enjoying your media has never been more fun with the uniquely smart and easy-to-use Sony® Creativity Suite. Get instantly organized with smart sorting features, create personal masterpieces with easy-to-use creative tools and rediscover forgotten music and memories with breakthrough technology that recommends content based on your unique listening and viewing habits.

BORN FROM SONY® HD TECHNOLOGY

A available Blu-ray Disc™ optical drive lets you playback[19] Blu-ray Disc™ movies in crystal-clear resolution.

Take advantage of the convenience and utility of DVD and CD read/write functionalities.

An HDMI™ output delivers video and audio to external sources via a single cable so you can enjoy HD entertainment on your compatible big screen TV without a myriad of extra cables (HDMI™ cable sold separately)[16].

ADD A SPLASH OF COLOR

Make your E Series notebook uniquely yours with add-on accessories.

Available in a variety of colors, keyboard skins allow you to decorate the inside of your PC from black or white to green, purple, pink or blue.

Available Bluetooth Slider Mice (VGP-BMS15) and interchangeable lids also let you coordinate the color of your E Series PC or your keyboard skin.

With a wide assortment of accessories and colors, you can change up the look of your PC to match the season, your outfit or your mood. The possibilities are endless.

Performance and multimedia entertainment in a colorful and affordable 15.5" widescreen notebook[4] with an integrated number pad. An available Intel® Core™ i5 processor, Blu-ray Disc™ drive[19] and ATI ™ dedicated graphics gives you smart performance and amazing picture quality all in a sleek, up-market design.

NETGEAR - Push2TV Adapter for Intel® Wireless Display (PTV1000)

Color: Gunmetal Black, Coconut White, Black Sand, Hibiscus Pink, Iridescent Blue, Caribbean Green

1. GHz denotes microprocessor internal clock speed and may vary.
2. GB means one billion bytes when referring to hard drive capacity. Accessible capacity may vary. A portion of hard disk space is reserved as a recovery partition.
3. Requires 802.11n compatible access point. Some functionality may require Internet services.
4. Viewable area measured diagonally.
5. Measured at the narrowest point
6. i.LINK is a trademark of Sony used only to designate that a product contains an IEEE 1394 connector. All products with an i.LINK connector may not communicate with each other.
7. Estimates only based upon Sony engineering testing. Actual performance will vary based on notebook settings, environmental conditions, and usage. Battery capacity decreases over time and use.
8. See actual limited warranty for details. For a copy of Sony's warranty, please visit www.sony.com/pcsupport, call toll-free 888-476-6972 (888-4SONYPC) or write to Sony Electronics, 12451 Gateway Boulevard, Fort Myers, FL 33913.
9. For certain third party software applications, Sony provides first level phone support. Additional telephone support may be available from the applicable 3rd party vendor. Availability and schedule for any such support is determined by the aplicable software vendor.
10. Total Available Graphics Memory refers to the new Windows® 7classification of graphics memory, which varies depending on the operating condition, version of device driver and system memory size.
11. Broadband Internet service required along with third party services which may require a subscription or other service fee.
12. Includes Microsoft® Office 2010 preloaded. Purchase a Product Key to activate a full Microsoft Office 2010 suite.
13. Compatibility and performance in a 64-bit environment may vary.
14. Norton Internet Security™ 2010 30-day subscription is pre-installed on your Sony VAIO PC. You need to activate the software for the product to work. After your 30-days are finished, buy Norton Internet Security to continue to be protected from viruses, hackers and identify theft.
15. When available, Sony will provide Onsite/In-Home Service in fulfillment of its limited warranty obligations. Any such services are subject to the terms and conditions of the limited warranty. See actual Limited Warranty for details. Onsite/In-Home Service will be provided via third-party technician to be dispatched as needed following phone-based troubleshooting. Some repairs may be accomplished with self repair kits. Onsite/In-Home Service may not be available in all locations.
16. Requires high definition-capable display with HDMI™ connector. Image quality will vary.
17. Based on original factory image and will vary with product configuration changes and additional software added to the hard drive.
18. Excluding end user interaction
19. Certain circumstances may limit/prevent Blu-ray Disc™ media playback.
20. Interoperability and compatibility among Bluetooth® devices vary.
20. Intel Turbo Boost Technology performance varies depending on hardware, software and overall system configuration. Check with your PC manufacturer on whether your system delivers Intel Turbo Boost Technology. For more information, see http://www.intel.com/technology/turboboost
21. Intel® Wireless Display requires the NETGEAR® PTV1000 Push2TV Wireless TV Adapter (sold separately) and TV with HDMI™ or Composite AV input. Content requiring output protection (Blu-ray Disc™ and DVD movie playback) is not supported. 720p (max.) output. Image quality may vary.

Computer Interface: For this product, there are a multitude of varying software packages and add-on hardware options. This product is not manufactured to work with any specific software, and Sony does not and cannot make any warranty or representation with respect to the performance of this product with any particular software packages and/or non-Sony add-on hardware options except those mentioned here. Sony hereby disclaims any representations or warranties that this product is compatible with any combination of non-Sony products you may choose to connect to it. While Sony representatives or Sony authorized dealers may be able to assist you and may make recommendations, they are NOT authorized to vary or waive this disclaimer. Purchasers must determine for themselves the suitability and compatibility of the hardware and software in each and every particular instance. Software titles pre-installed on the Sony computer are subject to change without notice. Preinstalled software may not be identical to retail versions or have all documentation. Features and specifications are subject to change without notice. Non-metric weights and measures are approximate and may vary.
Lamp in this product contains mercury. Disposal of these materials may be regulated due to environmental considerations. For disposal or recycling information, please contact your local authorities or the Electronic Industries Alliance (www.eiae.org).
